***RE: In Re: Volkswagen “Clean Diesel” Marketing, Sales Practices and Products Liability Litigation
MDL No. 2672 CRB (JSC)***

Dear Judge Breyer:

Pursuant to Pretrial Order No. 1, I make this application for appointment to serve in a leadership position on the proposed Plaintiffs’ Steering Committee.

I am a member of the firm of Levin, Fishbein, Sedran & Berman (“LFSB”). I am a graduate of University of Pittsburgh (B.A. 1994) and Oklahoma City University School of Law (J.D. 1997). I am admitted to practice before the Supreme Court of Pennsylvania, United States District Court for the Eastern District of Pennsylvania and the United States Court of Appeals for the Third Circuit. I am a member of the American, Pennsylvania and Philadelphia County Bar Associations, as well as the American and Pennsylvania Association for Justice. I serve on the Board of Directors for the Philadelphia Trial Lawyers Association.

I have experience working on automobile cases. Specifically, as identified in the attached resume, I served as class counsel on two automobile cases, *Henderson, et al v. Volvo Cars of North America, LLC, et al*, No. 09-cv-4146 (D.N.J.)(class action brought on behalf of individuals who purchased Volvo vehicles with defective transmissions) and *Grant, et al v. Bridgestone/Firestone, Inc. and Ford Motor Company*, September Term, 2000, No. 003668 (C.C.P. Phila.)(involving the Ford Explorer debacle). Also, I have a wealth of experience serving as class counsel in complex litigation. I work well with other counsel and I am willing and able to work under any leadership team. I have the support of Stuart Eppsteiner as well as Elizabeth Cabraser, Christopher Seeger, Lynn Sarko and Stephen H. Echsner. I also support their applications for Lead Counsel as well as the application of Joseph Cotchett.

LEVIN, FISHBEIN, SEDRAN & BERMAN

I am interested in representing all plaintiffs in this matter, however, I am named counsel on complaints, *Brownlow v. Volkswagen Group of America, Inc.*, 2:15-cv-13963 (E.D.Mi.) and *Knisley, et al. v. Volkswagen Group of America, Inc.*, 2:15-cv-02670 (W.D.Tenn.), which purport to represent all vehicle owners and leasees.

I have available to me experienced colleagues from LFSB to assist in prosecuting and fulfilling the duties required for the above matter. In fact, I have been mentored by Arnold Levin and Frederick Longer in assisting them in their particular roles as lead and liaison counsel for numerous MDL litigations. With these resources available, I will be able to serve on a steering committee in a case of this importance and magnitude. I will be able to draw on the experience of Arnold Levin and Frederick Longer who, as identified below, have in the past decade served as lead and liaison counsel and on executive committees in numerous significant MDL actions.

Arnold Levin is a member of the Pennsylvania Trial Lawyers Consultation Committee, Class Action Section, a fellow of the Roscoe Pound Foundation and past Vice-Chairman of the Maritime Insurance Law Committee of the American Bar Association. LFSB has always paid its assessments on time and committed resources necessary to effectively prosecute the claims. Given my experience and my firm's experience in complex litigation of this nature, my proven abilities to perform complicated administrative tasks, ability to work well with other counsel and commitment to this litigation, I respectfully request appointment to the Plaintiffs' Steering Committee.
